

Cohort Default Rates

Beth Wilson

August 16, 2010

- Cohort Default Rates are calculated and reported two years in arrears
- We have 49 OPEID numbers (main campuses) with imbedded branch campuses
- Current threshold for negative action is 25% or higher for three consecutive years
 - Sanction is loss of Title IV access for two years
- Transitioning to a three year rate with a threshold of 30%
 - Sanctions if over 40% in any given year
