Hi Redacted by HELI

It was nice meeting you at the CCA Clinton lunch. As discussed, we are interested in reviewing schools for acquisition for 90/10 strategies. We are only interested in schools with low 90/10 ratios, which are healthy, and \$1M+ in revenue. However, the Brookfield operation is close to one of our existing sites and we are willing to review that opportunity as well. Let me know if you have any additional schools that fit that bill. We are not particularly interested in bid situations as you will appreciate, but if you have some schools that may appeal to us please feel free to send them along.
