

S. 4755, Traumatic Brain Injury Program Reauthorization Act of 2024
Section-by-Section

Section 1. Short Title.

This Act may be cited as the “Traumatic Brain Injury Program Reauthorization Act of 2024”.

Section 2. Prevention and Control of Traumatic Brain Injury.

This section reauthorizes the traumatic brain injury program at the Centers for Disease Control and Prevention through fiscal year 2029. Additionally, it emphasizes populations at higher risk for traumatic brain injury and causes, and risk factors for, traumatic brain injury.

Section 3. State Grant Programs.

This section reauthorizes competitive awards for projects to improve access to rehabilitation and other services regarding traumatic brain injury administered by the Administration for Community Living. Additionally, it directs the State Advisory Boards for such projects to take into consideration populations that may be at higher risk for traumatic brain injury.

Section 4. Report to Congress.

This section requires a report to Congress that provides an overview of populations who may be at higher risk for traumatic brain injury, an outline of existing surveys and activities of the Centers for Disease Control and Prevention on traumatic brain injuries, and any steps the agency has taken to address gaps related to the populations identified, as well as an overview of any outreach or education efforts to reach populations who may be at higher risk.
