

S.1840, SCREENS for Cancer Act of 2023
Section-by-Section

Section 1 – Short Title.

This Act may be cited as the “Screening for Communities to Receive Early and Equitable Needed Services for Cancer Act of 2023” or the “SCREENS for Cancer Act of 2023”.

Section 2 – Findings.

This section describes relevant health findings around the incidence, prevalence, health disparities, and screenings of breast cancer and cervical cancer. It also describes how reauthorizing the National Breast and Cervical Cancer Early Detection Program will improve screening ability and early detection of breast and cervical cancer.

Section 3 – National Breast and Cervical Cancer Early Detection Program.

This section reauthorizes the program through FY2028, with several updates to the current program and report to Congress.
